1 NARRATIONAL

1.1 [Places, Settings, & Scenes]

The landscapes, locations, and atmospheres described — spanning real-world places, imagined worlds, natural environments, and the qualities and aesthetics of a scene.

1.1.1 [Natural World]

Non-human and non-built environments, encompassing flora, fauna, landforms, weather, and celestial phenomena.

1.1.1.1 Creatures

real, mythological, or fantastical creatures that animate natural or symbolic landscapes.

1.2.3 [Social Presence]

descriptions of how figures are socially situated or configured in relation to others, from states of togetherness to solitude.

1.2.3.1 Alone

situations where a figure is described in solitude, self-directed, or without imagined company.

1.2.3.2 With One Other

a figure with exactly one other person, whether intimate, familial, adversarial, or situational.

1.2.3.3 With People Groups

references to being with multiple people, in familial, social, or public group contexts.

1.2.4 Body Parts

literal anatomical references, detached from personality or social identity.

1.3 [Objects & Things]

References to non-living entities, items, and materials — including consumables, built objects, decor, transport, and descriptive qualities, descriptions of objects, and institution-related articles.

1.3.1 Consumables

edible, drinkable, or intoxicating items for human consumption.

1.4 [Actions & Movements]

Encompasses all “doing” words—actions, behaviours, process, and motion—by humans and non-humans, including qualifiers and verb modifiers.

1.4.1 [Agentic Actions]

1.4.1.1 Directed Movement

arrival & departure, travel & journeys, walking & roaming, vertical & directional shifts.

1.4.1.2 Daily life

practical, routine, and labour connected to domestic life and work tasks, including physical and mental efforts.

1.4.1.3 Music-linked Movement

physical movement tied to rhythm, musical accompaniment, or expressive bodily response to sound.

1.4.1.4 Sports

structured or recreational physical activities done for fitness, skill, challenge, or play, often with athletic or sporting elements.

1.4.1.5 Creating and Performing

artistic, expressive, or intellectual output, including casual and formal creative practices.

1.4.1.6 Relational and Social

socially orientated and reciprocal behaviours of communication and engagement.

1.4.1.7 Consuming

acts of consuming food, drink, or substances including intoxicants and supplements

1.4.1.8 Conflict and Wrongdoing

acts of aggression, violence, deceit, or moral/legal transgression, including physical, verbal, or social harm directed toward people, animals, or property.

1.4.2 [Processes and States]

1.4.2.1 Perceptual

one-sided focus, noticing, or gaze-related acts.

1.4.2.2 Non-directional Motions

actions that don't suggest directed movement towards or away from something, but refer to a motion that something or someone does.

1.4.2.3 Rest and Leisure

physical postures, states of inactivity, relaxation, or low-effort enjoyment, including both stillness and casual recreation.

1.4.2.4 Transforming and Learning

processes of change, development, or adaptation, whether physical, emotional, cognitive, or symbolic.

1.4.2.5 Waiting and Anticipating

activities that involve readiness, expectation, or delay before an action or event.

1.4.3 [Action Modifiers]

1.4.3.1 Speed

references to how fast or slow an action or motion occurs.

1.4.3.2 Characterisation

qualities describing the specific character or manner of a movement, often reflecting personality or intention.

2 REFERENTIAL

2.1 [Media, Art, & Technology]

References to any type of media, artistic, entertainment, and technological domains — including formats, platforms, works, and techniques.

2.1.1 Digital Platforms and Applications

online environments, apps, and technological tools for digital communications, creativity, or AI-mediated interaction.

2.1.2 Media Companies and Devices

named corporations, studios, publishers, brands, streaming services, and hardware associated with media production and consumption.

2.1.3 Media Formats

classifications of media by style, genre, delivery format, or historical media eras.

2.1.4 Media Genres and Styles

classifications of media by style, genre, delivery format, or historical media eras.

2.1.5 Media Packaging Structures

paratextual framing and structural devices used in the presentation of stories or media, especially framing and transitional elements.

2.1.6 Media Techniques and Effects

production and presentation methods, including camera work, editing styles, and visual effects.

2.1.7 Music and Sound in Media

audio elements in media, including soundtracks, diegetic sound, and narrative voice.

2.1.8 Named Media References

explicit references to specific works, titles, franchises, or recognisable elements such as quotes, objects, and settings from media works.

3.1.1.3 Bodily Sensation

physical sensations and tactile experiences, both external and visceral.

3.1.2 Conceptual and Metaphorical References

symbolic ideas, cultural and ideological abstractions, and metaphorical frames of meaning.

3.2 [Subjective Experience & Personal Significance]

How people react to, evaluate, and connect with music in terms of personal feelings, opinions, and meaningful links to people and times in their life.

3.2.1 Emotions and Affective States

immediate emotional or mood-based states described in vivo, often affectively coloured words or phrases.

3.2.2 Evaluative Opinions and Preferences

judgments, likes and dislikes, and other taste-related stances evaluating the music itself.

3.2.3 Personal Significance

references where music takes on a symbolic, identity-based, relational, or spiritual meaning beyond immediate enjoyment.

3.2.4 Personal Time-linked Connections

connections where music is explicitly tied to life stages, personal memories, and other temporally anchored experiences.
